Delia's Disco Inferno

BY CURT ROSEWOOD — 2024-08-22

For five years now *DeliaNDN* has been hosting several clubs¹. A newer entry in her portfolio is *Delia's Disco Inferno*. As the name suggests this venue focusses on good old disco. The inferno room was originally born as a metal venue and this heritage still shows in the fire pits that line the walls. The room has been transformed into a discothèque by adding in a new dance floor and other details that bring back that 70s atmosphere. You'll find this room open on select **Wednesdays** from **2:00 EST** till **4:40 EST**.
