VENUES

First Avenue Club

First Avenue

by Kaythy

Kaythy's first build is a reproduction of the [First Avenue Club](https://en.wikipedia.org/wiki/First_Avenue_(nightclub))¹ in downtown Minneapolis. The build is true to the original as much as possible, making some small concessions for usability in the game. Even the famed [haunted bathrooms](https://www.americanghostwalks.com/articles/minneapolis-ghosts-the-spirits-of-first-avenue)² are present.

The outside wall of the club is adorned with stars, each one having the name of an artist that has played in the club. A gold one is reserved for Prince³, the club served as location in the artist's movie Purple Rain⁴. Another notable star is a red one in the memory of George Floyd⁵.

Kaythy opens her impressive first build on select evenings, so keep an eye out for it. For a next project this promising builder has her eyes set on 7th Street, a smaller venue attached to the First Avenue club.

With special thanks to Kaythy.
